Effective with the 1986 subscription year, all orders for new and renewal subscriptions are to be sent to: **Williams & Wilkins Subscription Fulfillment Service, 428 East Preston Street, Baltimore, MD 21202.** The Williams & Wilkins Subscription Fulfillment Service will respond to all inquiries concerning subscription ability and costs as well as single- and back-issue availability and costs. The telephone number is 301-528-4000; Telex 87669; Cable WILCO.

The subscription rates for the 1986 year remain the same as 1985:

Members of the Society	\$25.00
Individual Use	50.00
Institutions	65.00
Qualifying Students	20.00
Single Issues	10.00

Canadian, Mexican and foreign addresses, add:
5.00

Nonmember subscriptions are entered on a calendar-year (January-December) basis only; full-year back issues, when available, are at the current subscription rates.

Nutrition Specialist

Gerber Products Company has an immediate opportunity for an individual with a comprehensive nutrition background. Ideally, you should have a Ph.D. in Nutrition or Nutritional Biochemistry with an understanding of food chemistry. Superior oral and written communications skills are required.

Within a professional research and development environment, your responsibilities will include:

- **Providing management with objective nutrition information for the purpose of reviewing promotional materials, assisting the Legal Department and providing guidelines for the development of new products**
- **Administering the Company's Grant-in-Aid program**
- **Participating in Public Relations programs designed to foster the Company's reputation among the media and professional community**

As an industry leader, Gerber offers a competitive salary and company-paid benefits program. In addition, our pleasant Fremont location offers enriching community and family-oriented opportunities for growth and leisure activity throughout scenic western Michigan. If you are interested, please forward your resume and salary history, in confidence, to: **Mr. Stan Houck, Gerber Products Company, Department C, 445 State Street, Fremont, Michigan 49412.** Gerber is an equal opportunity employer m/f/h/v.

Gerber Products Company

ASSOCIATE DIRECTOR PREVENTION PROGRAM

The National Cancer Institute (NCI), National Institutes of Health (NIH) is conducting a search for candidates for the position of Associate Director, Prevention Program in the Division of Cancer Prevention and Control (DCPC). The Associate Director plans, directs and conducts a multidisciplinary research program of preclinical and clinical trials in cancer detection. The research areas encompassed include cancer detection, chemoprevention, and diet and cancer prevention.

This is a Civil Service position in the Senior Executive Service (SES) with a salary range from \$61,296 to \$68,780 per annum. Candidates may be eligible for Physicians' Comparability Allowance up to \$10,000 per year.

Position information and qualification requirements may be obtained by contacting Mr. Jerry Chambers; Personnel Management Specialist; NCI Personnel Office; Bldg. 31, Rm. 3A32; 9000 Rockville Pike; Bethesda, MD 20205-0031, telephone number (301) 496-6862.

Applications (SF-171, curriculum vitae and bibliography) must be submitted to the above address and postmarked not later than October 31, 1985.

*The National Institutes of Health is an
EQUAL OPPORTUNITY EMPLOYER.*

ANNOUNCEMENT

1986 AMERICAN BOARD OF NUTRITION EXAMINATION

Persons with a doctoral degree (M.D./Ph.D. or equivalent) and an appropriate nutrition background are invited to apply to take the examination to qualify as a diplomate of the American Board of Nutrition (ABN). For detailed information write directly to:

American Board of Nutrition

Room B-25

9650 Rockville Pike

Bethesda, MD 20814

You will receive: 1) a description of the criteria used to assess applicant eligibility; 2) an application form; and 3) a statement of philosophy, examination scope, and guidelines for candidates for the ABN examination.

The next ABN examination will be administered in conjunction with the 1986 Annual Meeting of the American Society for Clinical Nutrition, May 1-3, 1986, at the Sheraton Washington Hotel, Washington, DC. The deadline date for receipt of completed application, transcripts of academic records and sponsoring letters is December 15, 1985.

Controversies in Clinical Nutrition

The editor of *CONTROVERSIES IN CLINICAL NUTRITION*, Dr. John J. Cunningham, has selected the works of 34 national and international experts to depict the current status of nutrition in controversial areas of human health, including diet composition, coronary heart disease, fiber, obesity, and cancer. Each chapter in this book originally appeared independently in various issues of *THE AMERICAN JOURNAL OF CLINICAL NUTRITION*.

A valuable teaching aid, and an invaluable repository of nutrition information, the book fills a current need for critical examination of each topic.
