WHO SHOULD BE AN ADA MEMBER?

- If you are concerned with professional recognition from your peers and the public. . .
- If you wish to network with colleagues at the national, state, and local levels. . .
- If you want effective representation on legislative, public policy and regulatory health and nutrition issues. . .
- If you are looking for the latest information on role delineation, nutrition, education, or research issues. . .
- If you are interested in saving money on publications, seminars, insurance, and more. . .

. . . You should be an ADA member!

For over 70 years, The American Dietetic Association has been working to enhance the professional lives of its members.

Membership classifications have changed in the past few years. To find out about our five categories of membership call 1-800-621-6469, ext. 4841 or write:
