*Symposium*

Calcium Absorption

Guest Editor: FELIX BRONNER

Introduction.....	376
Effect of Sodium Fluoride on Calcium Absorption and Balances in Man. H. SPENCER, I. LEWIN, J. FOWLER AND J. SAMACHSON.....	381
Intestinal Calcium Absorption in the Laying Fowl and Its Importance in Calcium Homeostasis. S. HURWITZ AND A. BAR.....	391
Basic Studies on the Mechanism of Action of Vitamin D. A. W. NORMAN, M. R. HAUSSLER, T. H. ADAMS, J. F. MYRTLE, P. ROBERTS AND K. A. HIBBERD.....	396
25-Hydroxycholecalciferol, the Probable Metabolically Active Form of Vitamin D. Isolation, Identification, and Subcellular Location. H. F. DELUCA.....	412
Absorption of Vitamin D <sub>3</sub> Oleate in the Rat. N. H. BELL AND P. BRYAN.....	425
Vitamin D-Induced Calcium-Binding Protein of Intestinal Mucosa. Relation to Vitamin D Dose Level and Lag Period. J. G. EBEL, A. N. TAYLOR AND R. H. WASSERMAN..	431
Absorption and Metabolism of Vitamin D <sub>3</sub> in Man. L. V. AVIOLI.....	437

*Letter to the Editor*

J. METZ, R. ZALUSKY AND V. HERBERT.....	447
---	-----

*Original Communications*

Vitamin D-Resistant Rickets and High Fecal Endogenous Calcium Output. A Report of Two Cases. B. D. HALL, D. R. MACMILLAN AND F. BRONNER.....	448
Fatty Acid Composition and Total Liquid of Cream and Cream Substitutes. E. R. MONSEN AND L. ADRIAENSSENS.....	458
Sodium-Potassium Chloride Mixtures as Table Salt. R. L. FRANK AND O. MICKELSEN	464
Physical Work Capacity and Nutritional Status in Ethiopian Male Children and Young Adults. N.-H. ARESKOG, R. SELINUS AND B. VAHLQUIST.....	471

*Special Article*

Hunger USA 1968. A Critical Review. H. POLLACK.....	480
